

**Transcript** 文字稿:

London is **gearing up for** the Olympics.

And this includes many people's typical **ride** around the city.

Here the bus is at work. And this is the bus **working out**...

Czech artist David Cerny is The London Booster's creator. The sturdy **double-decker** seems to be doing well for a 1957 model.

This is a routine exercise for athletes but push-ups can be **exhausting**. Especially for a 6-tonne vehicle

**Vocabulary** 词汇:

<b>gearing up for</b>	筹备, 准备
<b>ride</b>	交通工具
<b>working out</b>	锻炼
<b>double-decker</b>	双层公共汽车
<b>exhausting</b>	筋疲力尽

**中文文字稿:**

伦敦正在加紧奥运筹备。

这也包括大家熟悉的城市交通工具之一。

这辆公共汽车正在运行中。不过它可是在锻炼...

捷克艺术家 David Cerny 是这辆 The London Booster 的创造者。这辆 1957 年的双层公共汽车看起来还很坚固。

虽然俯卧撑对运动员来说是例行锻炼项目之一, 但非常累人, 尤其是对一辆 6 吨重的汽车来说, 更是如此。

## Exercise 练习:

以下练习中的语句全部选自于 BBC 其他网页。

请从下面的词汇表里选择答案来完成句子。

注意：你可能需要改变单词的时态来完成句子。

### **gearing up for / ride / working out / double-decker / exhausting**

1. "The latest product to launch is the green energy gym," says Tarrant. "People create electricity by \_\_\_\_\_ so as they pedal away on the bike, they can see the energy they are creating and it's used to light up the fitness zone at night and can even power local buildings."

2. A failing heart struggles to pump blood around the body, meaning even trivial tasks become\_\_\_\_\_.

3. "I travel into the city centre by car at the moment but the traffic adds time onto my journey," she said. "I am going to try the park and \_\_\_\_\_ service from Leckwith as it will be cheaper and hopefully save me time. I think it is a really good idea."

4. "The Banqueting House hall is big enough to be a bus garage, you could get eight \_\_\_\_\_ London buses into it and that was less than 5% of what Jones wanted to build."

5. Astronomers are \_\_\_\_\_one of the rarest events in the Solar System. On Tuesday, Venus will pass directly between the Sun and the Earth.

## Answers 答案:

1. "The latest product to launch is the green energy gym," says Tarrant. "People create electricity by **working out** so as they pedal away on the bike, they can see the energy they are creating and it's used to light up the fitness zone at night and can even power local buildings."

2. A failing heart struggles to pump blood around the body, meaning even trivial tasks become **exhausting**.

3. "I travel into the city centre by car at the moment but the traffic adds time onto my journey," she said. "I am going to try the park and **ride** service from Leckwith as it will be cheaper and hopefully save me time. I think it is a really good idea."

4. "The Banqueting House hall is big enough to be a bus garage, you could get eight **double-decker** London buses into it and that was less than 5% of what Jones wanted to build."

5. Astronomers are **gearing up for** one of the rarest events in the Solar System. On Tuesday, Venus will pass directly between the Sun and the Earth.
